Sanabel Delta

The Confidence to Proceed

About Us:

Sanabel Delta imports and distributes high-quality engineering precision tools, industrial hand tools, measuring instruments, non-sparking equipment, and accessories for a wide range of sectors. In a short period of time, has established itself as a source of High-Quality Engineering and Measuring Tools in KSA and around the GCC. We provide our customers with high-quality items as well as experienced support and service. Our team of experienced and informed employees is constantly expanding our variety as we identify excellent products from our large choice of foreign suppliers to fulfill our customers' ever-changing expectations.

Sanabel Delta's portfolio of worldwide brands seeks to meet the needs of industrial industries. We have a strong supply chain thanks to our industry experience and vendor partnerships.

SANABEL DELTA TRADING ESTABLISHMENT

مؤسسة سنابل دلتا التجارية

- Measuring Instruments, Torque Wrenches, Industrial Wrenches, Brass & Copper Hammers, Pipe Tools, Threading Solutions, Non-sparking tools, Machine cutting tools, Impact Sockets, and more goods are available from us.
- We guarantee the delivery of high-quality items created from top Industrial Grade Quality Materials.
- A company's role is not only to properly grow and diversify, but also to understand and support the needs of the community it serves. We are dedicated to giving back to our community in whatever manner we can. We are proud of our staff, who continue to impress us with their determination, curiosity, and innovation, driven by a desire to learn and improve every day. We invest and participate in addition to the employment we create and the economy we support.

Our Values

Our values serve as the foundation of our company and define who we are and how we work. Principal among them are:

- ✓ Honesty
- ✓ Clarity
- ✓ Quality
- ✓ Commitment

Our Vision

To create an integrative, inclusive corporate community where trust, loyalty, and accountability drive excellence and innovation in a socially responsible manner.

Our Mission

To be considered an exceptional engineering and precision tool importer/supplier based on product quality, service excellence, creative ideas translating into innovative products, and client commitments. We endeavor to supply you with the highest quality, most accurate, cost-effective, durable, and dependable tool solutions based on the most recent technology, giving you the confidence to meet the expanding demands of your business and be the industry pioneer.

Prime Business

- Metal Trading
- Industrial Trading & Services
- Building Materials, Tools & Consumables
- Electrical Items
- Cables & Safety Materials
- Machineries & Spare Parts
- Dewatering / Pipes & Hoses
- Drilling Supplies (Onshore & Offshore)

- Infrastructure Project Assistance

Our fundamental values

Spirit:

We are respectful, honest, upbeat, and fair to all of our clients.

Steady Improvement

We believe in always improving our products, methods, and ourselves.

Collaboration

We work together to attain our mutual goals by relying on one another.

Dedication

We assume responsibility for completing our purpose to the complete satisfaction of all of our clients.

Client Trust
To achieve leadership by building successful partnerships through dedication, excellence and responsibility.

Why Sanabel Delta ?

- ❑ *Through collaborations, seasoned management teams, local market and operational know-how, and financial strength, we create value.*

Health and Safety, Environment

- ❑ *The ideas, methods, and targeted actions that make up our HSE (Health, Safety, and Environment) management system were created based on our business. The Executive Board has direct control over the system. This guarantees a high degree of attention to concerns of workplace safety, health, and environmental protection throughout our Company, together with the individual dedication of our personnel. Our HSE policy offers a legally enforceable summary of the primary goals.*
- ❑ *Our certified HSE management system complies with the fundamentals of ISO 45001:2018, ISO 14001:2015, and ISO 9001:2015 and takes into account not only our business processes but also the needs of each project, such as local law or unique requirements on the part of our clients.*

Quality policy

- ❑ *The goal of SANABEL DELTA TRADING EST is to constantly deliver goods and services that meet the highest industry standards and contractual job requirements. We're dedicated to*
- ❑ *Make certain the quality objectives are met.*
- ❑ *Deliver goods and services that go above and beyond the needs and expectations of our clients.*
- ❑ *Deliver on schedule*
- ❑ *All Employees have received enough communication on and comprehension of the quality policy.*
- ❑ *A collaborative approach involving all staff members and clients.*
- ❑ *Non-conformities in goods or services are discovered, observed into, assessed, and fixed*

Why Sanabel Delta?

- ❑ *Through collaborations, seasoned management teams, local market and operational know-how, and financial strength, we create value.*

Choose Sanabel Delta Tools?

Premium Quality : *We source hand tools from reputable manufacturers known for their commitment to quality and craftsmanship. Every tool in our inventory meets stringent quality standards, ensuring they withstand the test of time.*

Wide Selection : *Our extensive collection encompasses a diverse range of hand tools, including wrenches, pliers, hammers, screwdrivers, and more. Whether you're a professional tradesperson or a DIY enthusiast, you'll find the perfect tools to suit your needs.*

Industry Expertise : *With years of experience in the industry, we have a deep understanding of the diverse requirements across various sectors. Our team can provide you with expert advice to help you choose the right tools for your specific projects.*

Competitive Pricing : *We believe that high-quality tools shouldn't come with an exorbitant price tag. Sanabel Tools offers competitive pricing, making premium hand tools affordable for all.*

Reliable Supplier : *Our commitment to timely deliveries means that you can rely on us to get your tools when you need them. We understand that time is of the essence in your projects, and we ensure that you never face unnecessary delays.*
